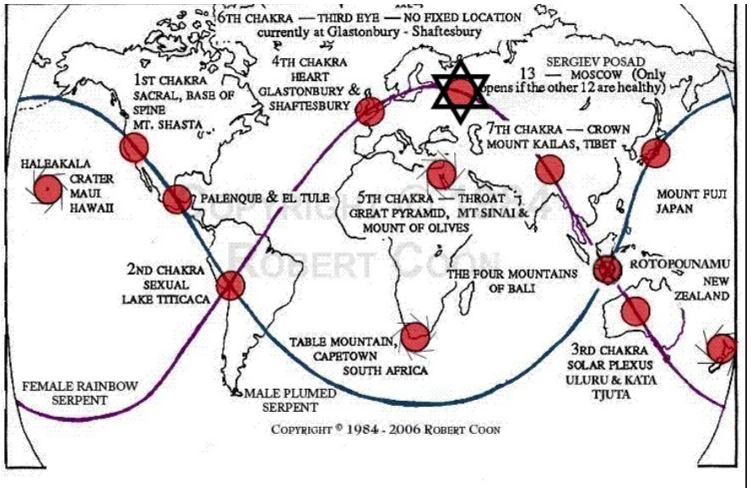
NEW ODD PEOPLE AND EVENTS THAT MAY LEAD TO US FINDING OUT WHO WAS BEHIND CHARLIES ASSASSINATION

CAUGHT ON VIDEO: If this is Tyler Robinson, why don't they want you to see it?
https://www.youtube.com/watch?v=6O7g3YYTQms

Here are some interesting facts or puzzle pieces that may need to be put in perspective as we speculate what happened.

DID YOU KNOW



There is no doubt in our minds that who ever assassinated Charlie was a DEEP STATE hired HITMAN. ?WHAT'S NEW."

We have watched the same subterfuge going on ever since President Kennedy was assassinate. These shootings have the same basic M.O.'S and they always give us an innocent PATSY/

WHO ARE THEY AND WHERE DID THE COME FROM

Albert Pike - revered 33 degree Scottish rite freemason and author of Morals and Dogma. Wrote this in 1871 to Mazzini ..the letter was on display in the British museum until 1977. But they of course deny this .....

All of this in the world is more of the same. Wars to bring about their agenda....NWO.

Those that know the Word of God know how this plays out. Birth pains ...ever wonder why the land of Israel is always fought over? #itsbiblical #dustoffyourbibles

For years now I have been exposing how corrupt the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) are

The Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) gave us a FALSE VERSION OF JESUS

33 THAT IS BEING USED FREQUENTLY IN THE ASSASSINATION CASE IS A SECRET FREEMASON CODE NUMBER THAT THE FREEMASONS ARE SSOCIATED WITH.

THOSE BEHIND THE USE OF THIS NUMBER AS A LOGO, HAVE BEEN BEHIND SO MUCH MISINFORMATION, DISINFORMATION AND LIES FOR THOUSANDS OF YEARS BECAUSE THEY RULE THE ROOST

The number 33 is significance within the Jewish Freemasonry, particularly in the Ancient and Accepted Scottish Rite, where it is the highest honorary degree. The number 33 symbolizes wisdom, leadership, and dedication within the CRAFT, and is conferred by the Supreme Council for outstanding service. It is also important in other contexts, such as religious traditions (Jesus' age at crucifixion, Islamic prayer beads) and is seen in numerology as a bridge between the mundane and transcendental. This evil number has been associated with critical events on earth and the misinformation, disinformation and lies in the Bible, etc., which seems to tell us those involved in misleading us about history were the Jewish AshkeNazi Zionists and the Tribe of Dan who were essentially the "Sons of the Serpent" the "Sons of Cain" etc.

Was this a picture of Kyle Robinson handing something that was passed by another young man at the time of the

shooting. I think they were in front of the Woodbury Building on campus

I am constantly asking "Who is This Guy" because it does not look like Kyle Robinson and his cloths do **NOT** match what Tyler was wearing at all

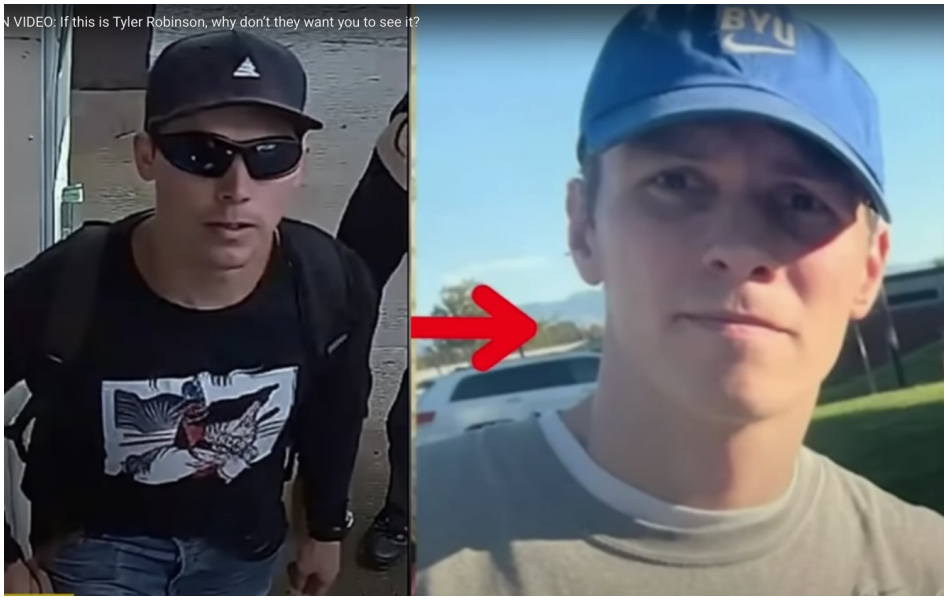
This is the Woodbury building behind the green tree knoll area where I believe the shot came from. It has a huge roof top area where a closer shot could have come from.

Tyler was filmed at a Dairy Queen 4 hours after the shooting. However if you notice he had black pants and hat on. Then we have the security that camera caught similar figures but wearing gray shorts instead. We've learned that the shadow

of this person or persons do not match up with the official timelines.

The official reports keep telling us that he changed cloths all of the time. HOGWASH!

Then we have this guy running on the roof just before the shooting or as the shooting was happening. Experts are saying that whoever this guy is that he was in motion while the shot was happening not after. He was wearing all black.



This guy looks a lot more like the guy in the stairway. He has suspicious ties to a foreign country

on't they want you to see it?

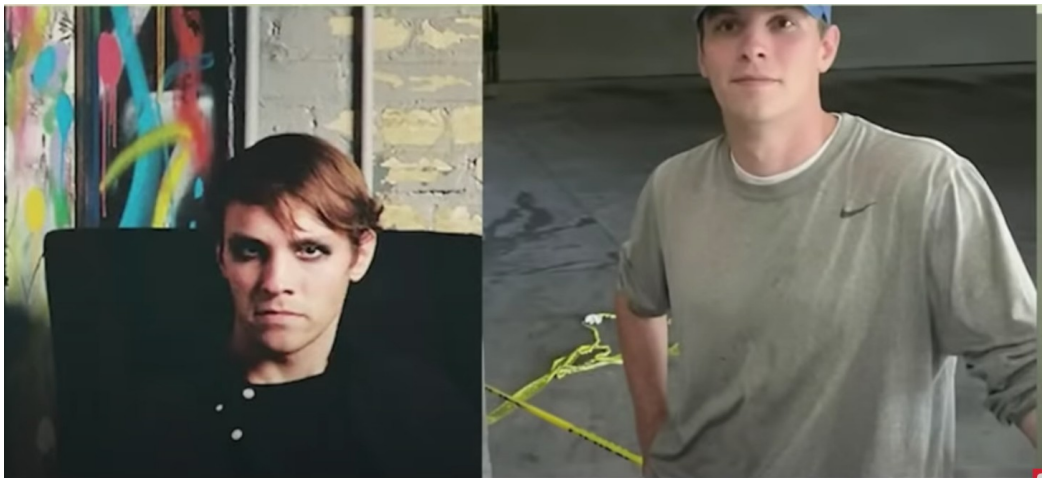
shanerintheusa Took my friends to my grandmas house tonight and we retraced his steps and took pictures in the exact place the security cameras caught him. I've been through this new experience for the last few days. I'm still very glad to have attended, to support @charliekirk1776 and see him. The last

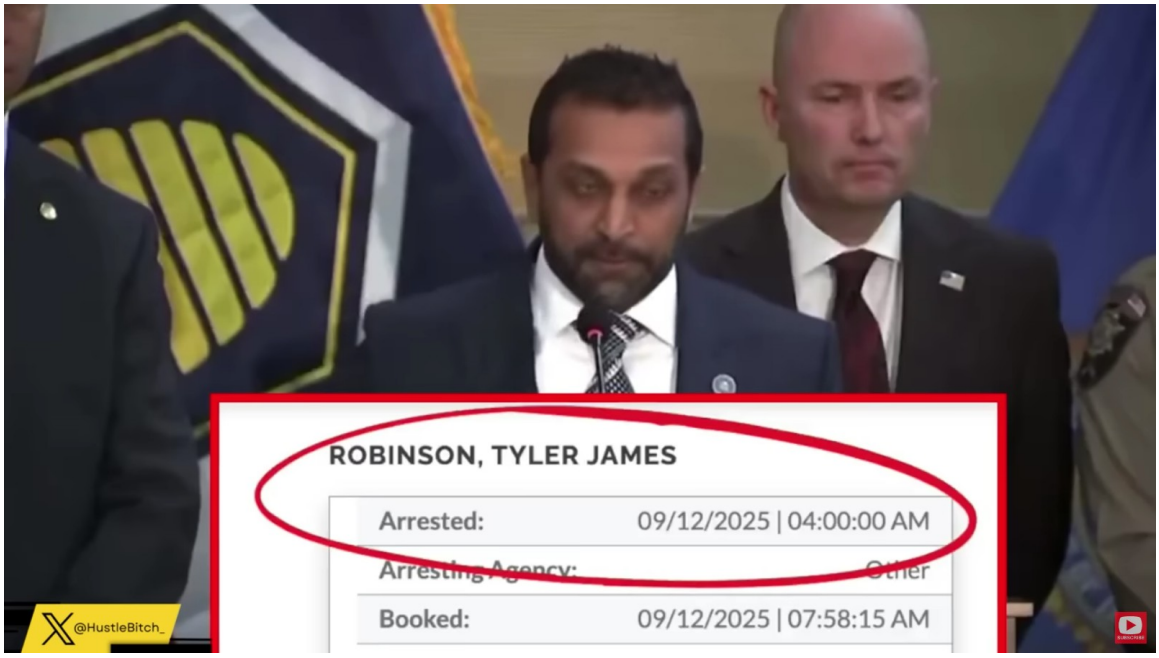


This may mean nothing but the guy who took these pictures also videoed the wooded area where the gun was found. The video and his data have been scrubbed from the internet. This guy in the green tee-shirt may be the son of a political family.

NEW HIRES AROUND THE ASSASSINATION IN KEY POSITIONS AND A WANT-TO-BE ACTOR

Kash Patel is a new FBI HIRE. He made reference to Valhalla which is a reference Secret Societies use for a spot in heaven where hero's go to rest. He may have used this language as a hint to the DEEP STATE that Charlie is our hero that in heaven today.

Kash may be tipping off the DEEP STATE that he knows they are behind the Assassination. The number 33 is a tip off that the DEEP STATE WAS INVOLVED and that Kash knows it.



CONDENSING THE DATE
9/12/25
Take 9 then add 12 = 3 Then next add 2025 = 9
939 are Freemasonic Illuminati Code Numbers

Kash changed the exact time to 33 which to me means that he is signaling the DEEP STATE that he knows what is going on.

Timpanogos Regional Hospital has named Andrew Zenger as its next chief executive officer. Zenger officially begins his new role on August 25, overseeing all aspects of operations and care delivery at the 122-bed Orem facility.

Zenger had most recently been serving at sister facility St. Mark's Hospital in Salt Lake City as the chief operating officer. In all, he has spent 11 years inside parent health system HCA Healthcare, starting in 2014 as an administrative intern at the same hospital he'll now lead.

"Timpanogos Regional Hospital is a special place with special people, and I'm thrilled to return and work with the award-winning team and world-class medical staff," said Zenger. "This is an exciting time to be part of this hospital, as we focus on growing an enhancing our services to care for more families in Utah County."

At St. Mark's, Zenger helped the 308-bed hospital enhance its robotic surgery capabilities, achieve record surgical volumes, and grow its electrophysiology program. Prior to that, Andrew had served as the COO at Medical City McKinney, a 285-bed facility north of Dallas, Texas. There, he led surgery and cardiovascular programs, helped achieve a Level II trauma
